GREAT OPPORTUNITY

Thank all of you that have helped to deliver the Mutual Minutes around each month for your building. The Board would like to have Building Captains play a bigger role in the Mutual and have had several shareholders indicate that they would be willing to help with more duties. Mutual 8 Building Captains Policy is 7558.08 is very clear on the ways they can help.

Paragraph 4 of the policy states the description of duties:

The Building Captains duties shall be prescribed and directed by the Board. At this time, some of the Building Captains duties include, without limitation: (1) hand delivering notices, Board Minutes, and other documents; (2) making themselves available to, and speaking with residents, about any issues they may be experiencing, and transmitting that information to the proper party, if necessary.

You can read the entire policy on line under Mutual 8 Website Policy

Please consider being a Building Captain for one or even two buildings. We will have several ways of communicating information that you will need to know and ideas of ways you can help your neighbors. It's a SMALL way that you can help your community in a BIG way without having to invest a lot of time. If you think you want to be a part of the team please call the hotline 562-804-5503 leave your name unit number and phone contact and we will get back to you.
